

CORE VALUES: *How To Personally Possess & Pass Them On*

A Core value is the importance attached to something that serves as an **influence** and **guide** for behavior.

1. ARTICULATE _____ & LEARN _____ these values.
2. Compare VALUES _____ & PRACTICES _____.
3. PRACTICE _____ these values PERSONALLY _____

We teach what we KNOW - we reproduce what we ARE _____

4. Practice these values as a TEAM _____

Shared VALUES _____ define the team.

5. TEACH _____ these values to others.
6. HIGHLIGHT _____ those values to the Team whenever possible.
7. LOOK _____ for opportunities to PUBLICLY _____ recognize team members who live these values.
8. INSTITUTIONALIZE _____ these values within the organization.
9. Monitor PROGRESS _____ - what gets MEASURED _____ gets done!
An effective monitoring system helps maintain the appropriate degree of team involvement and alerts “coaches” (supervisors) to the need for midcourse correction.
10. Make those values PUBLIC _____ & give the team a REPUTATION _____ to uphold.
